

# “Buy American” Program 100% Complete<sup>1</sup>

Door Hardware products that will comply  
with

***Buy American Provisions of ARRA section 1605***

Trimco is in the unique position of maintaining patterns, tooling and other fixtures to offer almost<sup>1</sup> 100% of our line of door hardware to comply with Buy American clauses in projects that qualify for U.S. Federal T.A.R.P. funds or other State and Federal Construction programs.

***We can prove it, where others cannot!***

Trimco owns and maintains its own factory and foundry. Any items that are ordered under our “Buy American” program will be produced completely in our shops. Shop records are maintained and copies may be requested at the time of order.<sup>2</sup>

**An up-charge is associated with this program.**

Please ask your local factory authorized Trimco Sales Agency for more information.

See our website, [www.trimcobbw.com](http://www.trimcobbw.com) for a listing of local sales agencies.
