

SAINT-GAUDENS

SOLID BRONZE HARDWARE

the beauty of fine design, the eternity of solid bronze

OMNAE

SOLID BRONZE

Saint-Gaudens Hardware

is designed to provide lasting service. Made of the highest quality materials and engineered to meet strict safety standards, this hardware will provide years of useful service and distinguish your home as extraordinary.

The Saint-Gaudens Omnae Collection offers elegant options for the home. This collection offers the trademark rustic finishes of dark bronze and satin bronze in a more refined finish designated Dark Bronze Fine and Satin Bronze Fine.

Omnae, pronounced Omni, has a universal appeal with simple lines that go with any décor.

Omnae Key-In-Lever

Omnae Key-In-Lever

Applications/Specifications

Applications:

Saint-Gaudens locks are designed and engineered for single and multi-family residences where elegant craftsmanship, durability, and security are of greatest concern. Omnae is Latin for universal and this line is designed with that in mind. Simple lines that go with any design bring an understated elegance and unsurpassed craftsmanship into your home. The rustic finishes, which are Saint-Gaudens trademark, have been softened to enhance the beauty of the Omnae design. The two available finishes, Dark Bronze Fine and Satin Bronze Fine are color-matched to all other Saint-Gaudens accessories in Dark and Satin Bronze.

Advantages:

- ▶ Non-handed
- ▶ Ease of installation using standard 2-1/8" door prep (ANSI 161 for 2-3/8" backset)
- ▶ Solid Bronze Levers and Roses
- ▶ Grade 2 Performance Features

Specifications:

Handing

Non-handed. The cam and springs allow the lever to be fully reversible.

Door Thickness

1-3/8" (35mm) to 1-3/4" (45mm) standard..

Backset

Dual backset latch: 2-3/8" (60mm) and 2-3/4" (70mm)

Faceplate

2-1/4" (57mm) x 1-1/8" (29mm) square corner latch faceplate standard.

Latch

Latch is constructed of stainless steel. The latch has a 1/2" (13mm) throw when extended to fully engage the door jamb.

Strike

T' strike standard. Optional strikes available.

Levers, and Roses

Solid cast bronze.

Lever is the Cascade straight.

Roses are offered as either square or oval.

Functions

Keyed-in-lever allows for a key to lock from the outside. Locking on inside is by the turn of the locking button.

Operation

Hub and spring assembly under rose facilitates ease of operation.

Door Preparation

2-1/8" dia. (54mm) face bore.

1" (25mm) latch bore.

Finishes

Dark Bronze Fine and Satin Bronze Fine.

Dimensions

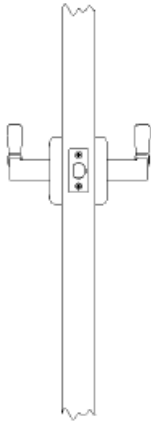

Rose: 3-1/2" square

Omnae Key In Lever

Function

Function:

Model

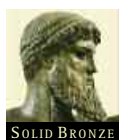

81334-ENTR (Square Rose)
