Please see our “Warranty” below.

## *Saint-Gaudens Warranty*

Saint-Gaudens Bronze Hardware by Trimco warrants its solid bronze hardware and accessories to be free of defects in materials and workmanship for the life of the product. All the internal mechanisms, including but not limited to latches, cylinders, etc., are guaranteed for the life from the date of sale to the original user. Patina finishes applied to our bronze product are known as a “living finish”. This means the finish will evolve with time, touch, climate, etc. Because the product will be exposed to a variety of conditions, we warrant the finish of our products for one year. Saint-Gaudens shall not be held liable for any indirect, special or consequential damages, including but not limited to accident, misuse, abuse or improper installation. Saint-Gaudens will assume no liability for any labor charges, freight, postage, or handling expense relative to the return, removal, or reinstallation of any product. Any Saint-Gaudens Bronze hardware product that is returned to us, accompanied by a proof of purchase, and is found by Saint-Gaudens to be defective in materials or workmanship will be repaired or replaced. This warranty is the sole and exclusive remedy.

All Saint-Gaudens locks are shipped with a standard 2-3/8” latch bolt. A 2-3/4” latch is available at the cost of \$15.00 plus C.O.D. charges.
